Highfield Level 2 Adult Social Care Certificate

We're delighted to now be able to offer this qualification as part of our external training portfolio accredited by Highfield and endorsed by Skills for Care under the QACLS scheme.

It is designed to develop the learner's knowledge and understanding of the underlying principles and skills required for a variety of job roles in the health and social care sector.

Key Topics Covered:

Learners must achieve all of the following units:

- Principles of understanding own role
- Awareness of mental health and dementia
- Personal development
- Principles of adult safeguarding
- Duty of care
- Understand the principles of safeguarding children
- Promoting equality, diversity, inclusion and human rights in adult social care settings
- Promoting health, safety and principles of basic life support
- Work in a person-centred way
- Effective handling of information in adult social care settings
- Promoting effective communications in adult social care settings
- Principles of infection prevention and control (IPC)
- Principles of privacy and dignity in adult social care settings
- Understand learning disability and autism
- Promoting nutrition and hydration in adult social care settings

Cost: £1,500 per learner

Funding: Eligible employers can claim the full cost of the qualification through government support, making training highly affordable.

Assessment Method: Learners will study using a dedicated textbook and receive assessor support to compile a portfolio of evidence demonstrating competence.

Certification: On completion, learners receive a digital certificate from Highfield.

Duration: Average completion time is 9 months, with support available for up to 12 months.

Invest in your team's skills with this regulated qualification designed for those working in adult social care at Level 2.
