

Accessible Tech for Education

What can you do to help learners with accessible technology?

Each link will take you to a ~30min webinar on that subject

Provide the right tools

[Text to Speech](#)

[Dictation](#)

[Vision](#)

[Physical Kit](#)

[Literacy Tools](#)

Use accessible features

[Microsoft](#)

[Google](#)

[Apple](#)

[Mobile](#)

Provide specialist support

[Early Switch Skills](#)

[Sensory](#)

[Specialist Kit](#)

Art: [@Massiveface](#)

Consider your delivery

[Video Calls](#)
